

国際交流同好会

Hello! We belong to the International Communication Club. Our activities are playing games such as "show and tell", "guessing the meaning of words", "Apples to Apples", "Jenga" and so on. Also, we sometimes watch movies in English and have parties on holidays such as Halloween and Christmas. We have two ALTs, Aliena and Jessica. We enjoy talking with them and each other in English. If you join us, you can experience American culture more deeply. We are really looking forward to seeing you and doing our club activities together!
